

School District of New Auburn
ESEA Spring Planning Meeting
June 1, 2016
Agenda / Meeting Summary

1. ESEA District Needs Assessment Review

The committee discussed WISEdash assessments (district performance), Aimsweb Benchmarking, and Progress Monitoring. We also discussed Needs Assessment meeting held to review Schoolwide and Targeted Title I projects. Discussion of New Education Law – ESSA “Every Student Succeeds Act” signed into law on December 10, 2015. Provided information regarding Federal and State changes to the law.

2. Identify Districts Needs

Discussed programs that the district has in place to monitor student progress. Aimsweb / Progress Monitoring / monthly RtI grade level meetings / RtI Leadership Team / Schoolwide and Targeted Assistance committee meetings. Discussion of progress with implementation of (PBIS / RtI /Effective Educator and Common Core Standards initiatives.

3. Private School Participation

Explained to the committee members that both of our private schools (Pleasant Valley and Twin Lakes Amish Schools) were sent invitations to this meeting and that I annually drive to the homes of both schools representatives and briefly explain ESEA and IDEA programs and then they sign off on the documents to not participate.

4. Parent and Community Involvement

Demonstrated District Policy for ESEA and Title I. Discussed website resources for the District’s Report Card, Parents Rights, Policies, and Highly Qualified Teachers. Discussion took place about information that is published *Trojan Talk*.

5. Integration with Other Programs and Initiatives

The committee discussed and reviewed how the ESEA goals and objectives are aligned and integrated into other federal and state programs or initiatives (ie. After School Grant, REAP, AGR “Achievement Gap Reduction”, and IDEA).

6. Homeless Student Services

Explained to the committee members the role and responsibilities of the Homeless Liaison for the district. Briefly reviewed the district’s responsibilities to provide immediate enrollment, food programs, and transportation to homeless students. Liaison attended informational meetings hosted by CESA 10. Also, that the Liaison has brochures and general information packets from National Center for Homeless Education.

7. Professional Development and Data Analysis

Reviewed the district’s professional development, goals, and planning document. Staff Development for technology, RtI, math, PBIS, Common Core Standards, Effective Educators, Balanced Literacy, Everyday Math and Lucy Calkins-Writer’s Workshop has been the district’s focus now and into the next school year. Many of these professional development activities are provide by or through CESA 10.
