## Jackie Quilling

Hi, my name is Jackie Quilling. I am the new first grade teacher and intervention specialist at New Auburn Elementary. I am excited for this opportunity to teach at New Auburn and I am looking forward to a great year.

I grew up on a dairy farm by Elk Mound and was homeschooled K-12. I have known since I was young that I wanted to be a teacher. I enjoyed helping out my six younger siblings, and I

with had the opportunity to work with kids in my church and loved it! After I graduated high school, I pursued my education degree at UW-Stout. I graduated with honors and moved to Eau Claire, where I worked at Kindercare Learning Center. During my free time I enjoy hanging out with my big family, Mom, Dad, six sisters, and two brothers. I also enjoy playing and watching sports, snowboarding, and reading.

One of the most rewarding things about teaching is being able to shape the hearts and minds of the next generation. As a teacher, I have the potential to impact my student's lives and I intend to be a positive role model and help each one to reach their full potential.

## Darlene Plenty

We are so excited to introduce a new face to the [#NewAuburn](#) staff! Please meet Darlene Plenty, special education aide.

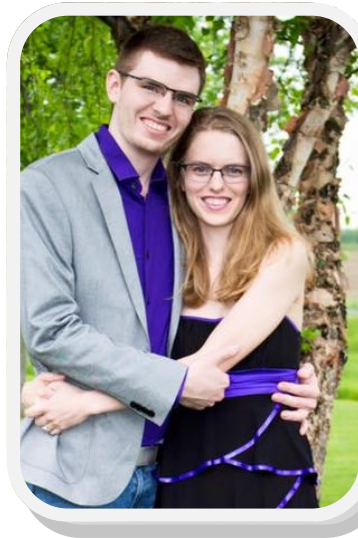

Darlene is married and has five adult children - 2 sons and three daughters. She also has 11 grandchildren - the oldest is 10 and the 12th will be here in October. Darlene enjoys having family gatherings and fun times with her grandchildren, making lasting memories. In her spare time she enjoys spending time on the pontoon fishing with her husband Mike and their German Shepard and two yorkies.

Darlene wanted to share that "I am excited to be a part of the New Auburn School and

meeting all the faces!"

Help give her a warm welcome here with a virtual thumbs up or comment!

## Brittany Zimmerman

The School District of [#NewAuburn](#) would like to welcome our new Jr./Sr. High School Science Teacher, Brittany Zimmerman.

Brittany graduated from the University of Wisconsin-Stout. She is originally from the eastern part of the state, Oconto, WI. Some of Brittany's hobbies include scrap-booking, playing and watching sports, reading and a love for the outdoors.

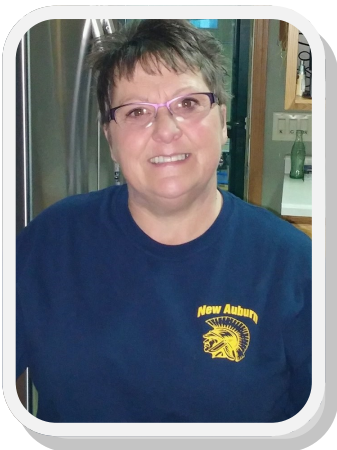

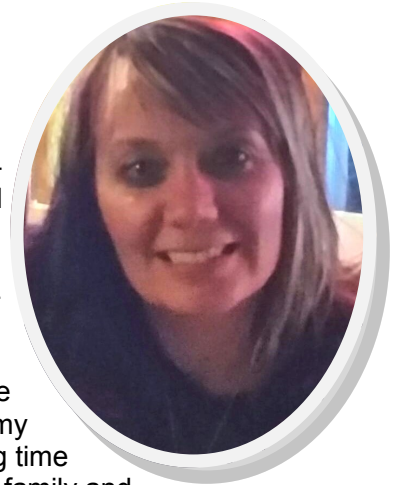

She is currently planning her future wedding to Nathan Powell. We are excited to have Brittany join our excellent team.

## Dawn Maresh

Hello. My name is Dawn Maresh. I am the new assistant cook. I am so overjoyed to be a part of such a exceptional school system with wonderful staff and students!

I have been living in this nice community for 14 years .In my leisure time I enjoy spending time with my daughter, husband, family and friends. I also love to cook, attend concerts, camp, snowmobile, four wheel, shop, fish, and go boating.

I am looking forward to learning all the aspects of the kitchen, and getting to know all the staff and students more. Here's to a great year ahead!

## 2016 Statewide Transition Academy

“Transition Practices” was the subject of a presentation by New Auburn High School teachers and students at the 2016 Statewide Transition Academy held October 4-5 in Wisconsin Dells. Kristine North, Special Needs teacher, and Cindy Sheskey, Business & Information Technology teacher, along with students Helen Glaser and Nicole Nimsger highlighted best practices from their *Career Skills Class*. This inclusive class, which is co-taught by Mrs. North and Ms. Sheskey, has a mixture of students with and without special needs working together. While helping students develop employability skills the class operates two school-based businesses: a *Snack Cart* and *Balloons and Buttons*.

During their presentation, the students took the audience on a virtual tour of the businesses highlighting specific tasks required in operating each business. Those tasks include inventory control; communications with customers; product deliveries; cash control, customer service and marketing. Two highlights of the course are the *Business and Community Outreach Day* and *Mock Interviews*. The Outreach Day enables students to visit a variety of area businesses to learn what employers expect of good employees, how the business advertises for employees, and what the business does. The students shared the benefits of preparing a resume’ and cover letter and practicing their interview skills with people from the business community during the mock interviews.

Mrs. North and Ms. Sheskey discussed the rigorous curriculum of the Career Skills class which includes business ethics, communications skills

in the workplace, self-advocacy, career exploration, planning for post-secondary education and work after high school, conducting a job search, and employment compensation and laws. The teachers explained how students and employers can benefit from this type of course offering.

Four hundred students, parents, teachers and other school officials attended this year’s transition academy, the theme of which was “College and Career Ready.”
