2018 Standing Up for Rural Wisconsin Schools, Libraries, and Communities

New Auburn High School's Special Education Instructor/Transition Coordinator, Kristine North, is presented with the state plaque for the 2018 Standing Up for Rural Wisconsin Schools, Libraries, and Communities Award. This award was presented by Mike Thompson, Deputy State Superintendent, of the Wisconsin Department of Public Instruction at the 10th Annual Wisconsin Rural Schools Alliance Conference.

New Auburn High School's program, *Special Need Students Building Career Skills through Small Rural School-Based Businesses*, was recently recognized at the 2018 Standing Up for Rural Wisconsin Schools, Libraries, and Communities Awards. This program was one of eight selected throughout the state. An awards presentation was made during the 10th Annual Wisconsin Rural Schools Alliance Conference held October 29-30, 2018 in Wisconsin Dells. Additional programs recognized from throughout the state included *Bringing the Barn to school Project, Medford Agriculture Department; F.I.E.L.D. Corps and Youth Summit, Wisconsin Green Schools Network; Building a Teacher Candidate Pipeline, University of Wisconsin-Oshkosh; *Oneida Community Integrated Food System, Oneida; Independent Living Enrichment Project, Grantsburg; Empty Bowls School and Community Service Project, Black River Falls; and Owen-Withee School Forest Maple Project.

"These programs are born from the collaboration among schools, libraries, and communities that is vital to keeping rural Wisconsin strong," said State Superintendent Tony Evers. "Recognizing these efforts showcases the innovation and involvement that define vibrant communities and make them great places to raise kids."

New Auburn's *Special Need Students Building Career Skills through Small Rural School-Based Businesses* is directed by Kristine North, Special Education Instructor/Transition Coordinator and serve the New Auburn School district and community. This unique project develops and expands career skills into life skills for students with disabilities. In the process, they increase their potential for employment while reducing the challenges that come with the transition to adulthood, building soft skills that support the movement from school to work and independent living. The businesses, developed through the Career Skills class, include: Healthy Snack Cart, Buttons and Balloons, and the newest, NA Café. Career Skills students build personal knowledge, while respecting and strengthening relationships with their peers who have special needs. Students meet with local businesses, apply business etiquette, participate in mock interviews, and recognize employment options through the program. In addition, Job Shadow Sessions provide students with detailed tours of participating businesses. Since 2012, 49 special needs students (assisted by 22 general education students) have been influenced by this program.

SPARKLE AND SISTER

New Auburn School District's Employability Skill's Class has partnered up with Sparkle and Sister's. Students in New Auburn are expanding their in-school business' out into the public as an outreach effort.

Sparkle and Sisters is a family owned business that was started in September of 2016. They sell unique rustic décor and their daughter runs a laundry business in the back of the shop.

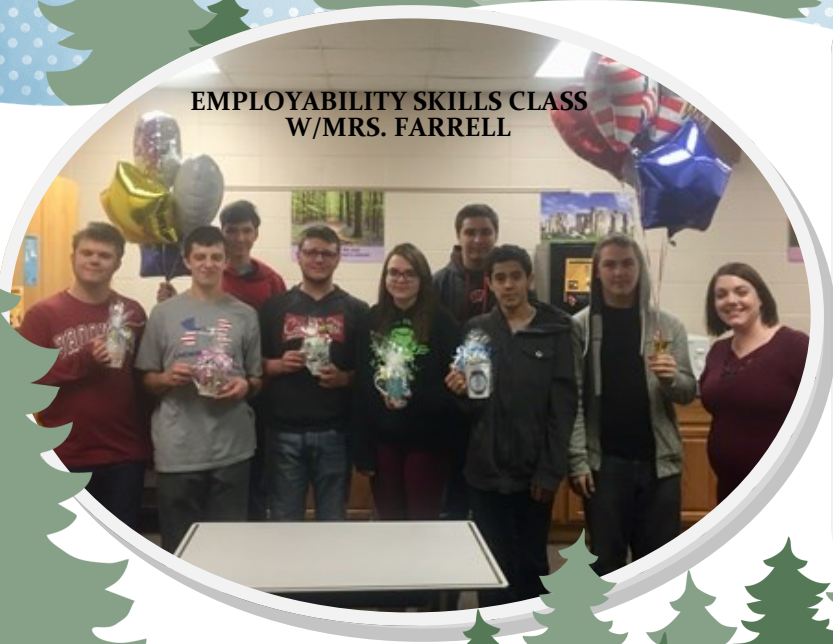

The Employability Skill's students purchased a display case and have it at Sparkle and Sisters where they display their products which include a variety of : balloons, coffee mugs, snacks, gift packages and buttons. All proceeds from these sales will be placed into a scholarship fund that graduating students with a disability can apply for.

Kristine North stated,

"This is a wonderful opportunity to expand our school-based businesses into the community where students can further their school to work/independent living skills."

Michelle Harelstad stated, *"As a business owner and graduate from New Auburn, I am excited to have the opportunity to connect with students and support the schools in our area. My daughter, who does the laundry part of our business, was identified as a student with a disability, and I wish she would have had more opportunities like this."*

Sparkle and Sister's is located at 1706 York St. Suite 5 in Bloomer, WI. Their mission is to provide strength-integrity to everything they do. You can find them on facebook @sparkleandsisters or call 715-271-3769.

High School Pre Calculus students love arts and crafts too!

Last week students applied their knowledge of the unit circle and special triangles to create the trigonometric FUN-ctions, Sine and Cosine. They used spaghetti and twizzlers, with plenty of twizzlers left over to snack on!

Graduating seniors will be receiving a free 2019 yearbook so they are not eligible for this promotion. Thank you for supporting the New Auburn yearbook!

\$20 Yearbook is Almost Over! Price Will Increase Jan. 1st

The 2019 yearbook is on sale for \$20.00 through December 31st! Thanks to generous donations the past few years, we are able to sell the 2019 yearbook for less than what it costs to have it printed. Thank you for your support! It's made a difference! However, there will be incremental price increases: beginning January 1st through March 31st the price will increase to \$25 and again April 1st through June 1st the price will increase to \$30. So please take advantage of the price drop before the price goes up.

Sponsor a Yearbook or Make a Donation

You may or may not know that New Auburn School District started giving graduating seniors free yearbooks in 2016 due to generous donations from area businesses and community members. Yearbook staff continues to solicit yearbook sponsorship and donations in an effort to help uphold this newly established tradition, which is quite unique to our district. Please consider sponsoring a yearbook for a graduating senior by donating \$25, which covers the printing cost of the yearbook, ensuring a graduating senior will have a yearbook to cherish for years to come! If you would prefer to make a donation, any dollar amount is appreciated. Donations will be used to help reduce the selling cost of yearbooks. If you are interested in sponsoring a yearbook or making a donation, please contact the yearbook adviser at the contact information below.

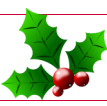

Sponsor a Page in the Yearbook

Anyone can sponsor a page in the 2019 yearbook – businesses, parents, family members, or community members! Sponsorship taglines will be added to the page of your choosing depending upon availability. A tagline might read, "This page sponsored by (business name and contact information)" or "Congratulations, Susan! We are so proud of you! Love, mom, dad & Joey". Cost to sponsor is \$50/page or \$90/spread (two pages, side by side). Money raised from sponsoring a page in the yearbook will help pay for a graduating senior to get a free yearbook and help reduce the selling cost of the yearbook. In addition to having your business or message appear in the tagline, all yearbook sponsors will have their names printed in upcoming Trojan Talk newsletters and printed in the yearbook "Thank You Sponsors" page. If you are interested in sponsoring a page in the yearbook please contact the yearbook adviser at the contact information below.
