Description

The New Auburn School District has opened a search for an eighth grade resource teacher. The resource teacher will provide one-to-one help with a small number of students in a non-traditional classroom setting. Classes will include eighth grade math, reading, and writing. This includes overseeing and offering instructional assistance with students taking online coursework in the school setting. Additional duties may include lunchroom and playground supervision. This hours for this position shall be 9:45 a.m to 3:30 p.m., including a duty free lunch period. The position will be filled as soon as possible and may begin upon hire. Interested candidates are encouraged to apply immediately.
