Dear Parents/Guardians,

This letter is to inform you of a new requirement for graduating at New Auburn High School.

The Community Service Hours Graduation Requirement was passed at the January 2018 Board of Education meeting. This requirement states that in order to graduate from New Auburn High School all students must complete 20 hours of community service, starting with the graduating class of 2022. Classes graduating before 2022 will be required to meet the following requirements:

Class of 2019-5 Hours

Class of 2020- 10 Hours

Class of 2021-15 Hours

The purpose for the community service requirement is to help connect the New Auburn high school students with their community, it also helps the youth of today gain knowledge and experience in the areas of responsibility, civic duty, and networking skills.

This new requirement will begin starting the summer of 2018. The students will be able to complete their hours during the summer or academic school year, outside of school hours. Even though it is ultimately the student's responsibility to complete these hours before graduation, parents are expected to take an active role in the scheduling, transporting, and supervising any community hours your son/daughter completes.

It is recommended that students plan on competing at least five hours per year to stay on track to meet the graduation requirement. Community service hours must be done before a student's graduation date in order to graduate.

Examples of community service may be:

- Raking leaves
- Mowing lawns
- Volunteering at the Jamboree
- Trash pick up
- Visiting the nursing home
